To

Principals of All Polytechnics,
(Both Govt. & Private)

Sub: Introduction of Industry Driven Skill Courses or Add on Skill Courses for 3rd to 6th Semester students from Academic Session 2023-24.

Sir/ Madam,

In inviting a reference to the above cited subject, it has been decided to introduce Industry driven Skill Courses or Add on Skill Courses for 3rd to 6th Semester students of Diploma Courses from Academic Session 2023-24 within the current syllabus timing on the arrangement of Institution. Following guidelines to be followed:

1. Such additional course is applicable for students of 3rd to 6th Semester.
2. NSQF aligned Add on Courses shall be preferred while selecting such course.
3. Maximum 4 periods per week can be allotted for such courses. In case of need, Institutions can club the periods together and have it continuously at one or two spells.
4. SCA periods allotted in the Syllabus will be utilized for conducting such courses. If required, 1 or 2 periods from Practical subjects/ Project Work may be used additionally for the purpose. The Principal of the Institutes are authorized to take decision regarding additional periods to be chosen from the available Practical subjects.
5. In case of Industry driven Courses, the Institute has to execute MOA with the concerned Industry and certificates shall be jointly issued by the Institute and Industry concerned.
6. The above Add on Courses are optional. In case it is not feasible to have any Industry connect course/ Add on Course, the normal 39 periods shall be followed as per the Syllabus.

Yours faithfully,

25/7/23
Vice-Chairman.
