For two year course of CTS, no exam for first year. It will be applicable to the supplementary candidates failed in the first year exam of annual pattern also. If the hall ticket was already generated before this order means, it may be ignored and candidate need not required to appear for the exam.

Kindly inform the trainees & ITIs and if any one raise the query.

TT cell is working on this in consultation with the states , how to award the marks for the first year exam based on the practical and ED marks shortly.
