Sub:- Temporary discontinuance of biometric attendance in view of the Government advisory to restrict spreading of the Corona virus.

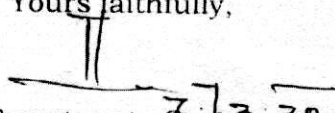

Sir,

I am directed to say that, Government have been pleased to issue advisory to adopt several precautionary measures including discontinuance of biometric attendance system in order to restrict the spreading of Corona virus.

Keeping in view the above advisory of the Government, you are requested to discontinue with the biometric attendance of the students/ trainees/ teachers/ staffs of institutions/organizations/ training centers under your administrative control for the time being and until further orders in this regard. In lieu of biometric attendance system, manual attendance register may be maintained and where biometric attendance has been made mandatory, photos of students and teachers in the classroom may be taken and uploaded in office computer for record and reference.

This is for your information and immediate compliance at your end.

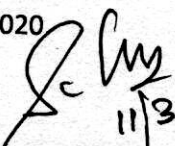

Yours faithfully,

Joint Secretary to Government
