GOVERNMENT OF INDIA

MINISTRY OF SKILL DEVELOPMENT & ENTREPRENEURSHIP

DIRECTORATE GENERAL OF TRAINING

******

Employment Exchange Building, Library Avenue,
PUSA Campus, New Delhi, Dated 11th March, 2020

To

The Directors of all State Directorates.

Subject:- Incorporation of NSQF compliant trade i.e. Surveyor with duration of 02 years in NCVT MIS Portal - Regarding.

Sir/Madam,

With reference to representations received from various State Directorates regarding the above-mentioned subject, it is to inform that as per the trade structure in NCVT MIS portal for session August, 2018, "Surveyor" trade is included in category of Non-NSQF trade and result of concerned trainees has been declared as per Non-NSQF syllabus. Trainees have been declared certified and NTC of 01 year duration are being issued from NCVT MIS Portal.

Technically, it is not possible to modify the structure on portal, so the Competent Authority has decided that if trainees admitted in session August, 2018 for Surveyor trade has been trained in NSQF compliant syllabus of 02 years duration then trainees may be allowed to have 01 year certificate or to continue training in second year and should appear in exam of second year with manual hall ticket. The result of second year may be declared by State Directorate manually without use of NCVT MIS Portal as per prevailing practice and issue marksheets at their end manually by including Formative Assessment, Theory, Engineering Drawing, Practical and W/Sh. Calculation & Science marks and submit the data of passed out trainees in specified format to T.T.Cell, DGT for generation of eNTC through NCVT MIS Portal.

In order to avoid any inconvenience to the concerned trainees, this is one time exemption and applicable to only for the trainees admitted in session August, 2018 only.

Your kind cooperation is solicited.

Yours sincerely

(R.P. Dhingra)
